

2000 Dodge Neon Engine

Air Filter Cover

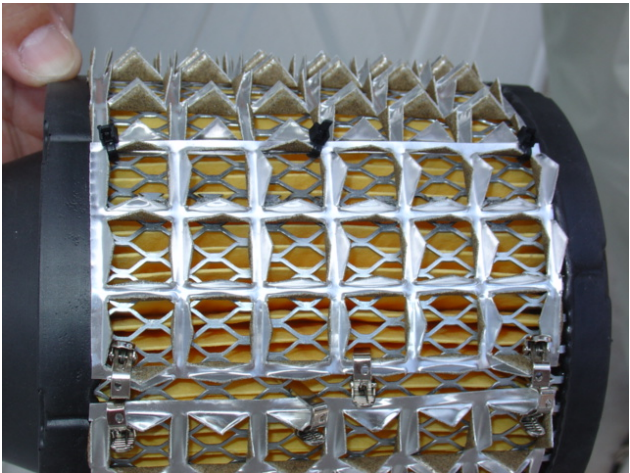

Air filter with Eco Charge ICB installed

Eco Charge ICB sheets are installed all the way around the air filter with no spaces left uncovered.

Eco Charge ICB encircles the entire air filter

The sheets are attached with clamps after cut to size

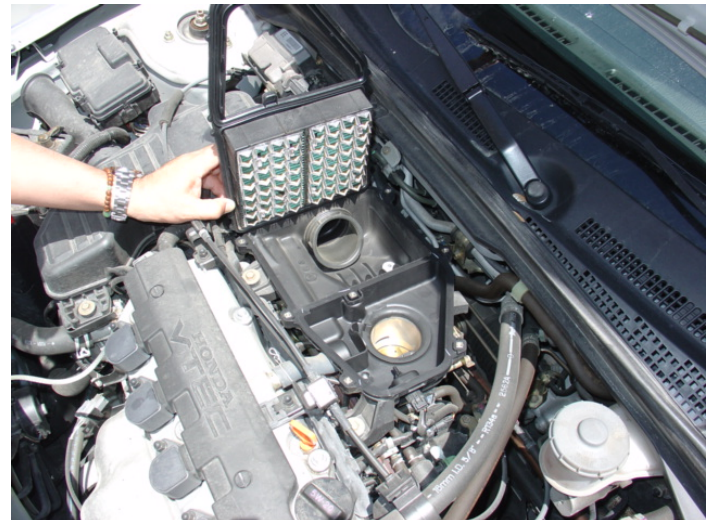

2003 Honda Civic Engine

Air Filter Cover

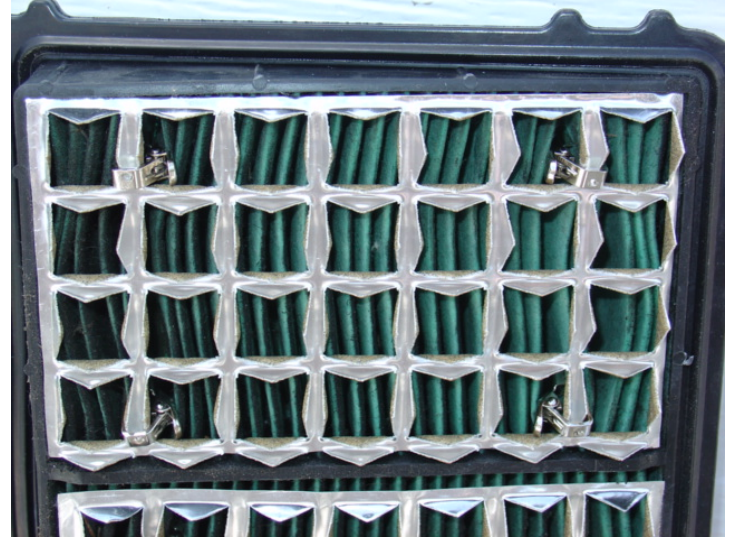

Top View of air filter (air enters from the under side of filter)

Eco Charge ICB is installed on the side of the filter that first comes in contact with the air as it enters the intake.

Eco Charge ICB is installed on the entire filter with no spaces left.

Small clamps are used to securely attach Eco Charge ICB to the filter.
